# UNITED STATES PATENT OFFICE.

EDWARD TODD, JR., OF NEW YORK, N. Y., ASSIGNOR TO EDWARD TODD  
CO., OF SAME PLACE.

## DESIGN FOR A FOUNTAIN-PEN OR PENCIL HOLDER.

SPECIFICATION forming part of Design No. 19,278, dated August 20, 1889.

Application filed July 10, 1889. Serial No. 317,054. Term of patent 7 years.

*To all whom it may concern:*

Be it known that I, EDWARD TODD, Jr., a  
citizen of the United States, residing at New  
York, in the county of New York and State  
5 of New York, have invented and produced a  
new and original Design for Fountain-Pen  
Holders and Pencils; and I do hereby declare  
the following to be a full, clear, and exact de-  
scription of the same, reference being had to  
10 the accompanying drawings, forming a part  
thereof.

Figure 1 is a side view of a fountain-pen  
holder showing my design, and Fig. 2 is a  
longitudinal sectional view of a portion of  
15 my design as applied to the body of a foun-  
tain-pen or pencil.

The main feature of my design consists  
a sleeve or jacket bearing upon its outer  
face a series of slightly raised protuberances  
or knobs, so located with reference to  
other parts as to form an indented spiral ridge  
having the form of a uniformly-mangled screw  
thread, as shown.

What I claim is—

The design for a fountain-pen or pencil  
holder herein shown and described.

In testimony whereof I affix my signature in  
presence of two witnesses.

EDW. TODD, JR.
