UNITED STATES PATENT OFFICE

151,661

DESIGN FOR A CALENDAR PENCIL

John M. Sherrer, Wauconda, Ill., assignor of one-half to Donald L. Skene, Joliet, Ill., and one-half to Arlo S. Stoops, Galesburg, Ill.

Application February 14, 1947, Serial No. 136,906

Term of patent 3½ years

(Cl. D74—24)

To all whom it may concern:

Be it known that I, John M. Sherrer, a citizen of the United States, residing at Wauconda, in the county of Lake and State of Illinois, have invented a new, original, and ornamental Design for a Calendar Pencil, of which the following is a specification, reference being had to the accompanying drawing forming a part thereof.

In the drawing:

Fig. 1 is a rear elevational view of a calendar pencil showing my new design, the printed matter being merely representative of that which will appear thereon from time to time for the different months of the year;

Fig. 2 is a side elevational view rotated on an axis ninety degrees from the disclosure in Fig. 1; and

Fig. 3 is a rear elevational view of the cap member removed from the pencil.

I claim:

The ornamental design for a calendar pencil, substantially as shown and described.

JOHN M. SHERRER.
